DETAILED ACTION

Election/Restrictions

This application is in condition for allowance except for the presence of claims 10 and 11 directed to inventions non-elected without traverse (see the response to restriction submitted on January 12, 2006). Accordingly, claims 10 and 11 have been cancelled.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gregg Palmer (55,520) on September 14, 2006.

The application has been amended as follows:

In claim 1, line 7, after "circuit board;" delete "and."

In claim 1, line 8, after "screen printing;" add "and."

In claim 1, after line 8 "screen printing; and" add "inserting the pin connector into the tap unit and connecting the pin connector to the tap unit" to the next line of text.

Art Unit: 1725

In claim 2, line 1, replace "wherein the method further" with --wherein inserting the pin connector into the tap unit and connecting the pin connector to the tap unit.--

In claim 3, line 1, replace "wherein the method further" with --wherein inserting the pin connector into the tap unit and connecting the pin connector to the tap unit.--

Cancel claims 10 and 11.

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest either alone or in combination inserting a pin connector into the tap unit and connecting the pin connector to the tap unit after two individual solder screen printing and solidification steps to a tap unit on two different sides of the printed circuit board.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
